

Name _____

Crush Disability Stereotypes

Amy Hillcrest, Song Bird's side-kick is a smart, science-minded engineer. (**STEM**) She just happens to be a girl with a disability who invents and designs modifications to her wheelchair.

Amy crushes both girl stereotypes and disability stereotypes

Focus on Amy Hillcrest's character

1. How does Amy improve her wheelchair?

2. How does Amy help Song Bird AKA Rosella Ava Bird?

3. What positive message does Amy give about disability?

4. Name books with positive characters with disabilities

5. Draw Amy in her SUPER wheelchair. Label the SUPER parts.
