

Name _____

Ways to Help the Environment

The poster features a central title 'WAYS TO HELP ENVIRONMENT' in large blue letters. Surrounding the title are several tips in speech bubbles and illustrations:

- Plant a leafy tree in your neighborhood and water it regularly**: Accompanied by an illustration of a man watering a flower.
- Use biodegradable products wherever possible**: Accompanied by an illustration of a recycling character and a recycling bin.
- Always Use paper on both sides and make use of scrap paper whenever possible**: Accompanied by an illustration of a book with 'USE BOTH SIDES' written on it.
- Save water by taking shorter showers and use least possible water while washing hands and brushing**: Accompanied by an illustration of hands being washed under a running faucet.
- Open window or close them to adjust the heat instead of using the air conditioner always**: Accompanied by an illustration of an open window looking out onto a green landscape.
- Never waste food as it is precious made with natural recourse**: Accompanied by a yellow sticky note that says 'STOP WASTING FOOD'.
- Use cycle when travelling to nearby places. This will reduce pollution**: Accompanied by an illustration of a girl riding a bicycle.
- Avoid plastic bags. Bring your own cloth bag**: Accompanied by an illustration of a cloth bag with the text 'Say NO to PLASTIC BAGS'.
